

Fellow Patriot:

Every day we experience yet another loss. We can no longer safely use parks without stepping over needles or weaving through trash and homeless camps. Our children's innocence is stolen with highly sexualized programming and minimal focus on basic education in public schools. Our Constitutionally guaranteed First Amendment right to free speech and our 2nd Amendment right to bear arms are threatened – and that is just the beginning. Our Governor presumes to tell us what we must do with our bodies and our land. We need a sensible path forward.

Josephine County Republican Party presents:
An All-Day Patriots Conference & Fundraiser

February 25th, 2023 -- 10:00 a.m. to 8:00 p.m.,
At the Josephine County Fairgrounds, Floral Building

The most significant and dynamic information forum in the history of our county.

Your donations and sponsorships will help support conservative local and state-wide candidates and provide community education programs such as this conference.

Goal: To AWAKEN CITIZENS about how we can SHAPE AND FORTIFY OUR COMMUNITY.
INFLUENCE LEGISLATORS and GOVERNMENT.

It is imperative that we quickly raise at least \$5000 to cover speaker fees and basic costs. We need silent auction items, donations and sponsorships. To showcase our valued sponsors, we will publish information in a program, which will be handed to each conference attendee.

\$500 Silver Sponsor: 2 VIP entrance tickets, ¼ page listing in program*

\$1000, Gold Sponsor: 4 VIP entrance tickets, ½ page listing in program, and your business cards at the check-in desk*

***We will have a large screen upon which we will showcase sponsors and tables for you to display information about your products and services. And we will have a private VIP area for you to personally meet and talk to the speakers. You will be mentioned on our website & social media.**

Conference tickets are available at the Josephine County Republican Office, 513 NE 6th St., at showtix4U.com under Josephine County Patriots Conference, or via your local Precinct Committee Person.
